

Magnum Casing, Closed End

Specifications

- Material: HDPE
- Color: Black

Features

- Available in recessed liftable and non-liftable designs
- Used to protect LTC, STC, and BTC thread connections against dirt, moisture, corrosion, and impact
- Recommended for long-term storage and rugged flatbed transportation
- Extra heavy duty plastic for maximum thread protection
- Reduced freight expenses for extra heavy duty protection over composite style
- 100% recyclable
